PLASTICA ALFA
INNOVATION & WATER TECHNOLOGIES

CLAMP SADDLES IPS SIZING

for HDPE and PVC pipes

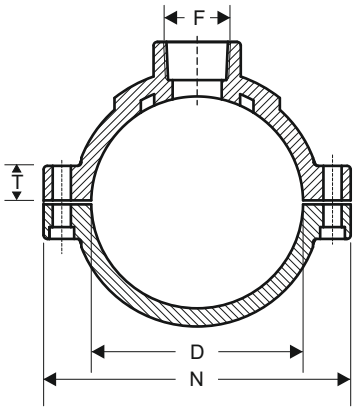
CARATTERISTICHE TECNICHE - TECHNICAL FEATURES

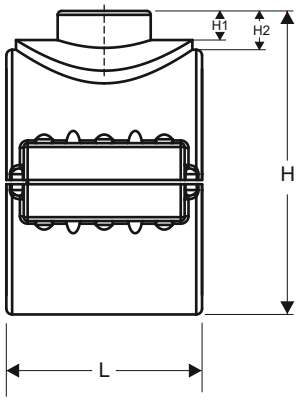
Pressione Nominale Nominal pressure	**PN 16**
Norme di riferimento Reference Standards	**ASTM D 3035, F714 and AWWA C-901/906**
Controlli e Collaudi Checks and tests	Aspetto/Appearance Caratteristiche geometriche/Geometrical characteristics Marcatura/Marking Resistenza alla pressione interna/Resistance to internal pressure Resistenza alla depressione interna/Internal under-pressure resistance Resistenza alla curvatura/Resistance to bending Resistenza allo scorrimento/Resistance to sliding
Materiali Materials	**Corpo/Body** Polipropilene Copolimero/Copolimer polypropilene **Viti e Bulloni/Bolts and Nuts** Acciaio Galvanizzato/Galvanized Steel **Guarnizione/O.Ring** Gomma nitrilica/Nitrilic Rubber **Anello di rinforzo/Reinforced ring:** Acciaio Inox/Stainless Steel

CAMPI DI IMPIEGO
fields of application

Reti e Irrigazione
Campi da Golf
Piping network
and golf course
irrigation

CLAMP SADDLES IPS SIZING





DIMENSIONI - DIMENSION

Staffa/Clamp	D	F	N	H	H1	H2	L	T	SEDI BULLONI BOLT SEAT
